- *The SB20 World Championship is slated to take place in February 2021.*
- *More than 70 boats and teams from around the world expected to set sail in one of sailing's most prestigious events*

**SINGAPORE – [28 January 2019]** – ONE°15 Marina Sentosa Cove Singapore, seven-time winner of Boating Asia Magazine's "Best Asian Marina" Award, today announced that it has secured the hosting rights for Singapore's first sailing world championships – the SB20 World Championships 2021.

From 2 to 6 February 2021, the marina will play host to more than 70 boats and teams from the United Kingdom, France, Russia, Portugal, Australia, Ireland and Italy amongst others. More than 15 teams from Singapore, comprising some of the Republic's top sailors, are also expected to participate in this prestigious event. This will be the first SB20 World Championships to be held in Singapore since the competition's inception in 2008.

According to Singapore SB20 Association Fleet Vice Captain, **Mr Nicholas Cocks**, ONE°15 Marina Sentosa Cove Singapore's successful hosting of four SB20 Asia Pacific Championships between 2015 and 2019 was a key factor in its winning bid to host the 2021 world event.

*"The tripartite alliance made up of ONE°15 Marina Sentosa Cove Singapore, the Singapore SB20 Association and the Singapore Sailing Federation put in a very convincing bid and we are delighted that the SB20 World Council at their meeting in December 2018 selected ours as the winning submission. Sailing has become increasingly popular in Singapore and playing host to a world championship event will definitely give the profile of the sport a boost locally and around the region,"* said Mr Cocks.

Conceptualised in 1999 as a one-design class of sailboat, the SB20 is an open keel boat designed for racing with a crew of 3 or 4 whose maximum weight must not exceed 270kg. Being the largest one-design keel boat fleet in Singapore, the SB20 is the boat of choice for Singapore sailors progressing from dingy racing to keel boat racing.

**ONE°15 Marina Sentosa Cove Singapore, General Manager, Mr Teo Joo Leng**, said: *“We are very excited to be selected as the venue host of the SB20 World Championships for 2021, which is one of the most prestigious competitions in the annual sailing calendar. This successful bid would not have been possible without the strong support and advocacy efforts of our partners – the Singapore SB20 Association, the Singapore Sailing Federation as well as the Singapore Tourism Board.*

*“Over the years, ONE°15 Marina Sentosa Cove Singapore has consistently supported the sea-sports community as part of our corporate mission to make it part of the lifestyle offerings at the marina. We will continue to explore more opportunities and events that will raise the profile of ONE°15 Marina Sentosa Cove Singapore as a unique and exclusive hub for such activities.”*
